FROM THE VICAR'S DESK

Dear Beloved in Christ,

Greetings in the name of our Lord and Savior Jesus Christ.

As we enter the month of November, the world around us is adorned with vibrant hues of autumn, and there is a tangible sense of change in the air. November invites us to pause, reflect, and embrace the spirit of gratitude. As a faithful community, we are called to reflect on the many blessings that have been bestowed upon us. Even in times of uncertainty and challenges, we can find reasons to be thankful. The simple act of being alive, surrounded by loved ones, and having community of faith to turn to is a blessing that we should never take for granted.

One of the most beautiful aspects of November is the celebration of Thanksgiving. It's a time when families come together to share a meal and express their gratitude for the abundance in their lives. Let us not forget that the act of giving thanks is not limited to one day but is something we should practice daily. Take a moment each day to count your blessings, no matter how small they may seem, and thank God for His abundant grace. Look around us and recognize the beauty in the world, the love of family and friends, and the countless gifts that grace our life. In gratitude, we find contentment, and in contentment, we find peace.

Let us also remember those who are less fortunate, especially as the weather gets colder. Let us extend a helping hand to those in need, whether it be through donating warm clothing, volunteering at a local shelter, or simply offering a kind word to someone who is struggling. In doing so, we embody the spirit of love and compassion that Jesus taught us.

As we approach the Advent season and prepare our heart and mind for the coming of Christ, let us do so with hearts full of gratitude. Let us prepare not only for the celebration of Jesus' birth but also for the ongoing presence of Christ in our lives. The word 'Advent' itself means 'coming' or 'arrival' and during this sacred season, we focus on the coming of our Lord and Savior, Jesus Christ. Just as the world awaited His birth over two thousand years ago, we now await His coming into our hearts and lives in a deeper and more meaningful way. This year's "house to house" caroling is starting from this month. All are expected to cooperate prayerfully.

Our Diocesan Episcopa Rt. Rev. Dr. Isaac Mar Philoxenos Thirumeni have blessedly laid the foundation stone for the construction work of our Jubilee Project. As a result of our prayers and working together for a long time, we were able to start this construction work. Hope everyone will pray and wholeheartedly support for the completion of the same on time.

May this be a month of reflection, gratitude, and generosity. Let us be mindful of the blessings we have received and share them with others, for it is in giving that we receive, and in gratitude, we find true joy. In unity and faith, let us walk together through this season of Advent, embracing the hope, peace, joy, and love that it brings into our lives.

In His Service,
Rev. Santhosh Thomas, Asst. Vicar.

Family, a place of forgiveness...

There is no perfect family.

*We do not have perfect parents - you are not perfect yourself.
We do not marry a perfect person or we do not have perfect children.*

There is no healthy marriage or healthy family without the exercise of forgiveness. Forgiveness is the medicine of family joy and happiness

Forgiveness is vital to our emotional health and spiritual survival. No matter the offence or who is the offender. Without forgiveness, the family becomes an arena of conflict and a fortress of evil.

Without forgiveness, the family becomes sick and unhealthy.

Forgiveness is the asepsis of the soul, the purification of the spirit and the liberation of the heart. No sin is too big to be forgiven.

He who does not forgive does not have peace in his soul and can not have communion with God.

Keeping heartache of unforgiving in your heart is a self-destructive gesture. It's autophagy.

Those who do not forgive are physically, emotionally and spiritually ill. And they will suffer in two ways.

For this reason, the family must be a place of life and not a place of death; a place of forgiveness, a place of paradise and not a place of hell; A healing territory and not a disease; an internship of forgiveness and not guilt.

.....POPE FRANCIS
