Message From The Vicar

Dearly beloved in Christ Jesus,

Easter and the days that follows remind us of a profound truth: we are the ‘resurrection people’ — those called to bear witness to the presence of the risen Christ in the ordinary rhythms of daily life, and to help others encounter that same living presence. The Gospel narratives affirm that resurrection faith is never passive. It is a call to action, a divine commissioning. Mary Magdalene was sent to proclaim to the apostles, I have seen the Lord (John 20:18). Peter, once broken and restored, was entrusted with the task of feeding God’s sheep (John 21:15-17). The apostles were sent out as witnesses of the risen Christ — not only in Jerusalem, but also in all Judea and Samaria, and to the ends of the earth (Acts 1:8).

This mission is not confined to the first disciples. It is given to us as well. As the ‘resurrection people,’ we are called to orient our lives around the mission Christ imparts to the faithful. If we lose sight of this divine calling, Easter loses its transformative power. But when we live out this mission — when we embody the risen Christ through acts of justice, mercy, compassion, and witness — Easter becomes a living and ongoing reality in the world around us.

May I extend my heartfelt prayers and God’s blessings to all our dear students who are preparing for their examinations. To those who will be traveling to India during the summer vacation, I encourage you to take time to visit mission institutions and centers of the Church. Such visits can be a great source of inspiration, especially for our younger generation, helping them to appreciate the rich heritage of faith and the ongoing mission of the Church.

We joyfully welcome John Wilson Achen, Jolly Kochamma, Jazzlyn and Jerlyn to our parish. Let us pray that their life and ministry among us be a blessing for us all and to the church.

May we, as the resurrection people, joyfully accept the call to live and share the gospel of Christ with others. Like Mary let us proclaim with our lips and lives, “I have seen the Lord”.

Prayerful Regards
Joseph John achen.

JUBILEE PROJECT

Our newly built Recreation center and the Jubilee hall was dedicated to God by the Diocesan Episcopa Rt. Rev. Dr. Abraham Mar Paulose at 10am on Saturday April 26. With the completion of this dream project, we have accomplished another milestone in the history of IMTC, Houston. Praise the Lord! I would like to express my deepest appreciation to those who worked hard behind this project, specially the Silver jubilee project convenors, Building committee, Finance committee, Executive committees, various sub-committees, room sponsors, those who contributed financially and to those who participated in the very auspicious occasion of the Dedication service. A big thank you to all. This new space is going to be more than just a building; it's a testament to our shared commitment to fostering fellowship, community, and empowering youth. We believe that this Center will be a vital resource for our church family, providing opportunities for recreation, learning, and building stronger connections whether it is a sports event, a community event, or a place to connect with others. We hope and pray that this Center will become a place where we all feel welcomed, comfortable, and have opportunities to grow together in Christ our Lord. As we envision this new space becoming a place where friendships are forged, memories are made, where the joy of God's love is shared, we are very excited about the possibilities and the positive impact this new space will have on our church and our community.

Our financial commitment for every family is \$5000.00. As we completed the project, we need to start paying back our bank loan which is about \$20, 000 per month plus other expenses. Please make your contributions soon so that you will be also a proud partner of this long cherished project.
